

A DROP IN CENTRE

FOR PRAYER December 2013

Mark 16:18b...and they will lay hands on the sick and they will recover.

Dear Partners & Friends

Our Kingdom Keys Conference was a tremendous success with inspiring and impacting messages from Rev. Patricia Bootsma from Catch the Fire Church in Toronto.

Thank you for the generous offerings given at the conference. All your prayer requests written on the offering envelopes were individually prayed for.

Our first Glory Night was *awesome!* We had a time of worship; Deb Burgess gave a powerful testimony, followed by soaking and prayer. Praise God!

We are excited about our new web site: www.livingwellhealingrooms.ca. Check it out!

Thank you for all your love, prayers and support.

We wish each one of you a Merry Christmas and happy, blessed 2014 soon to come!

All our love,

Lynda Fraser, Elizabeth Paynter, Sybil Judge and all the Healing Room Team.

What is Faith?

Faith can only be developed through a living, personal relationship with Jesus Christ. Faith cannot be taught. Others can share their love with you; their knowledge of God's principles; His truth and His wisdom. They can help you understand but, ultimately, you must make that life changing and personal decision to Trust God with the "all" of your life's circumstances. With each personal decision you make to obey and follow God's commands and principles your faith will be developed and your relationship with God matured. With each decision you make to trust - your faith is deepened. Each decision to trust is the "mustard seed" taking root in your life - bringing down the mountains and leveling the valleys. With God nothing is impossible!

"He (Jesus) said to them, because of the littleness of your faith, (that is, your lack of firmly relying trust). For truly I say to you, if you have faith (that is living) like a grain of mustard seed, you can say to this mountain, move from here to yonder place, and it will move; and nothing will be impossible to you."

Matthew 17:20 (Amplified Bible)

Experiencing the Glory and Presence of God...

was the theme of the LIVINGWELL Healing Rooms Conference. We had prayed that God would put this conference "over the top". And yes, Holy Spirit came and ministered in so many wonderful ways. All glory be to the KING of KINGS and the LORD of LORDS!

Our guest speaker, Patricia Bootsma spoke about the importance of prayer in bringing about revival in Canada. Patricia, along with another pastor, Evelyn, are from "Catch the Fire" Church in Toronto. They brought a wonderful "fire of God" with them. Holy Spirit moved in love - as Patricia, Evelyn and their team gave words "to edify, exhort and comfort" in their gift of prophesy, as they ministered to those who wanted a prophetic word from the LORD. Many were in tears, as I saw the body of believers receive the wonderful words and plans of God.

We are grateful that Patricia and Evelyn came to teach the body of Christ things that we needed to learn. The Sunday session was very emotional for members of the congregation. Many received the wonderful restoration power of God.

We heard wonderful testimonies from people who attended the conference. THANK YOU to all who came, some from long distances, to hear the wonderful, powerful messages that God delivered through His vessels.

Thanks to Patricia's team of prayer intercessors who drove up from Toronto to help and also the LIVINGWELL Healing Room Team for volunteering to pray for many. Wow - GOD IS SO GOOD to us!

Healing Rooms School of Transformation

School will include:

Rightly Relating:

Takes the students on a process of healing and renewing the mind in order to know his or her identity in the Kingdom, have an accurate view of the Godhead, and how to relate to the body of Christ with honor.

Rightly Handling the Word:

In order to be transformed we must have the tools to grasp God's word in a manner that is as full of integrity as it is life. This section teaches the students the foundational principles needed to study the Bible with sound interpretation.

The Kingdom of God:

Teachings from this section give the student the foundational truths about how God's kingdom functions. Some topics included are: Apostolic Government, Supernatural Revelation, Activating the Angelic and teaching on the Fivefold Ministry.

Healing:

Presents the fundamentals of provision for receiving and keeping healing. Subject matter included: SOZO (saved, healed and delivered); anointing to heal; healing the land; health and more.

Seven Mountain Mandate:

Identifies the major institutions that influence society and give the student insight into the strategies that will help them have an impact in the sphere God is calling them to.

Information Night:

*Wednesday, February 12, 2014
